### PRODUCT DETAILS:

The Sojourn collection combines confident transitional design with subtle nods to the past. Featuring candle-like white milky glass pillars bisected by a modern bobeche, this fixture balances contemporary lines with a touch of nostalgia reminiscent of early gas fixtures. Finished in bronze, the Sojourn brings timeless elegance and versatility to both modern and transitional spaces. Let the Sojourn Series transform your next project with its exceptional wall mounts, vanities, and chandeliers, each crafted to bring refined character to any space.
