

PRODUCT DETAILS:

The Tioga one-light wall mount sports a unique shape with creative elegant undertones. This Mid-Century Modern inspired design is embodied by linear framing and angular accents, while also asserting a unique abstract peculiarity thanks to frosted glass trapezoid shades. With a sleek appeal that is rooted in minimalist design, this luxury luminary exudes a nostalgic essence thanks to its geometric framing and aged brass/noir finish combination. The outward extension of the light sockets creates a sense of free-floating illumination. Damp listed, making it suitable for covered outdoor spaces, or washrooms.
