

PRODUCT DETAILS:

Nestled on four acres in the center of Kansas City, the Lee Boulevard home offers a feeling set apart from the city, which inspires Tamara Day to design this collection. A traditional design with a touch of contemporary through spherical details reflects the Lee Boulevard home's little slice of countryside amidst a sprawling cityscape. Modern beaded elements and vertically-fluted, white-painted glass shades offer transitional comfort with a luxurious impression. Two chandelier designs, linear pendants, wall mounts, and vanities come in options of matte black or aged brass finishes. Include the latest Lee Boulevard chandelier in your next home design.
