

PRODUCT DETAILS:

Shed light on your favorite artwork or photograph with the Sunset picture lights from the Tamara Day for Quorum collection of lighting. Featuring delicate ribbing on a long, rectangular light bar, this fixture emits a diffused glow from CCT LED arrays through frosted acrylic. The lighted bar is mounted on a slim, adjustable arm connected to a rectangular backplate. The combination of clean lines and a matte black or aged brass finish creates a sophisticated and unobtrusive lighting solution. Include the Sunset picture light vanity in your next home design.
