

# ASSEMBLY AND INSTALLATION INSTRUCTIONS

## WARNING:

TO AVOID RISK OF ELECTRICAL SHOCK, BE SURE TO SHUT OFF  
POWER WHILE INSTALLING OR SERVICING THIS FIXTURE.

**NOTE:** Before installing, consult local electrical codes for wiring and grounding requirement.

## FOR PENDANT

1. Attach the cross bar to the outlet box by using 2 mounting screws.
  2. Thread the fixture wire through the set nipple (A) and the canopy, and then secure the canopy with the set nipple (A).
  3. Make wire connections with wire nuts:
    - Attach ground wire to house ground wire using a wire nut or attach them to the cross bar with a green ground screw.
    - Attach ribbed wire from light to white wire from power source with a wire nut.
    - Attach smooth wire from light to black wire from power source with a wire nut.
- Observing the color code: black with black, white with white, green with green.
4. Raise the canopy to ceiling, secure it by screwing the collar loop.
  5. Fix nipple (B) on loop by screwing.
  6. Let A & B pass through nipple (B), use the nut, washer to make A.B fixation tight.
  7. Screw C to the nipple (B) and make C.A fixation tight.
  8. Fix I on D by screwing.
  9. Slide E.F.G onto I. Use the nut, washer to make E.F.G fixation tight.
  10. Let H pass through I, lock J on I and make H fixation tight.
  11. Hang the crystal beads on arm heads.
  12. Install bulbs taking care of the prescribed watt value.
  13. Turn on the power at fuse or circuit box.

## FOR SUMI FLUSH MOUNT

1. Insert downward 2 screws to the cross bar.
  2. Attach the cross bar to the outlet box by using 2 mounting screws.
  3. Thread the fixture wire through the set nipple and the canopy, and then secure the canopy with the set nipple.
  4. Make wire connections with wire nuts:
    - Attach ground wire to house ground wire using a wire nut or attach them to the cross bar with a green ground screw.
    - Attach ribbed wire from light to white wire from power source with a wire nut.
    - Attach smooth wire from light to black wire from power source with a wire nut.
- Observing the color code: black with black, white with white, green with green.
5. Let the screw pass through canopy and fix canopy tight by nut.
  6. Repeat the steps 6~13 as for pendant.
